Water Safety Swim

About Water Safety

For Children Ages 3-10 Years

Every year a large percentage of children drown within 6–10 feet of safety. Most of these drownings happen because of a lack of basic water safety knowledge and skills. The basic skills that children need to know include: breathing, breath control, and how to hold their breath, how to master and control buoyancy, and how to open their eyes under water. *Brought to you by a collaboration between the Hastings YMCA and Community Education.* Participants will be assessed and provided direction to continue their aquatic education. You do not need to be a member of the YMCA to participate. Pre-registration is required through Hastings Community Education. *(Skip 11/6)* Min. 4/ Max. 4 in preschool and Max 6 in school age group.

#595102A: ages 3-5 yrs	Tue Sep 18-Oct 23	6:20-6:50 pm	YMCA, Pool	\$47-6 ses
#595102B: ages 6-11 yrs	Tue Sep 18-Oct 23	6:20-7 pm	YMCA, Pool	\$47-6 ses
#595102C: ages 3-5 yrs	Tue Oct 30- Dec 18	6:20-6:50 pm	YMCA, Pool	\$55-7 ses
#595102D: ages 6-11 yrs	Tue Oct 30-Dec 18	6:20-7 pm	YMCA, Pool	\$55-7 ses

Nothing saddens us more than to cancel a class and receive emails and phone calls from parents and participants looking to register the week a class begins. We usually make a decision about holding a class one week prior to the start date. After one week prior, we may still have space available if something prevented you from registering earlier.
