New Class Proposal

Please complete all items on this form and return it to the address listed at the bottom of this page. Use a separate form for each class you propose to teach.

Please note:

- All classes are scheduled at the discretion of the Community Education Staff.
- A submitted proposal is NOT an approved class. We will contact you only if we plan to schedule your proposed class.
- If your proposal is selected, you will be contacted by a coordinator to finalize arrangements and complete the necessary paperwork as a subcontractor for Hastings Community Education. A criminal background check may/may not be required.
- You do not need to resubmit a proposal for the same class each season - we keep all proposals on file and will contact you if we'd like to use it in the future.
- We schedule one season ahead (ex. if it is currently Spring, we are scheduling for Fall), according to the following deadlines:

Fall submissions - due June 15th
 Winter/Spring submissions - due October 15th
