

Preschool Families-

As a safety measure for your child, please list the names of the individuals that you authorize to pick up your child from preschool. We will **NOT** release your child to a person that is not on this list. Please be sure to update your list if something changes.

Please note, if we are not familiar with the person, we may ask for identification. **If there is a situation where you have to have someone pick-up your child that is not on this list, then you will need to communicate this prior to the pick-up, through a phone call, email or note given to the teacher.**
