2020-21 Kids'

Campus

weather-related protocols, adjusted for Covid 19.

The following adjustments have been made to Kids' Campus programming for the 2020-21 season at the request of the superintendent. If any of these short-term procedures become the 'norm' for Kids' Campus in future years, this information will be communicated as such.

Updated 1.13.21

Snow Day/Cold Day/School Canceled

If school is canceled or closed due to any weather-related condition, Kids' Campus in all its forms will not run. There is NO option for all-day care on weather-related closures at this time.

2 Hour Delay

If, for any weather-related reason, the school day has a delayed start, Kids' Campus in the mornings will be CANCELED. Mid-Day care at the Middle School will BEGIN at the same time as the schools--so Middle School at 10:00 and Elementary at 11:40. It is our understanding this scenario will most likely NOT be used this year, as a 2 hour delay cuts the school day nearly in half.

Early Closing

If, for weather related reasons, the school day is cut short, Kids' Campus will be CANCELED. Students will need to get home via alternative method at the time the school closes. This is the same for mid-day care as well--students will need to be picked up from Mid-Day care at the same time the schools are being released.

Scheduled Non-School Day Closure

In the event that the superintendent directs staff not to report or to close early on a 'non-school day', Kids' Campus programming will also be closed. In that event, families will be notified with as much advance warning as possible. Students will need to be picked up immediately if programming has already begun.
