### Rivertown Fishing & Boating is back for the summer (formerly known as Let's Go Fishing)

Meet at the dock in Prescott to board the pontoon. Please arrive 15 - 30 minutes early. Join Kurt & Anne Graumann, your friends for a fun time on the river.

**Fishing License Required *only* if you plan on fishing (catch and release):**

In order to get a Permanent Angler License (see attached form) you must have a current letter from Social Security stating disability or SSI benefits. There is no fee. You must get this license through the DNR License Agent or DNR License Center. If you do not plan to fish you do not need a license.

Cost: **No charge for the outing**, but you must register with Community Education by calling 651-480-7670.

**Staff/caregiver must also register** as there is only room for 10 on the boat.

\*\*To get to the dock in Prescott: Take a right after coming over the bridge. Take the first right at Orange Street and a left on Front Street. Go into the Yacht Club and park in the parking lot at the far end of the blue roofed building. The dock entrance is by the flagpole.
