Inclusion of Students with Specific Needs

Kids' Campus values children with disabilities as an integral part of our diverse community and strives to support their success in the program. Our program will provide reasonable accommodations as needed to make physical and social inclusion successful. If your child has a specific need, such as a disability, diagnosis, health condition or has an IEP for special education services, please indicate so upon registering. It is important to disclose your child's specific need so that Kids' Campus may ask for additional information from you and the child's school (including copies of the IEP/504 plan) in order to determine what accommodations should be provided.

If Kids' Campus is unaware of your child's needs and those needs significantly impact the child's success in the program, care may be suspended until the appropriate accommodations can be arranged. In the child's best interest, a start date may be delayed if additional staffing is required to support the child's need until the appropriate level of staff support can be arranged.

- PROCEDURES -

Sign In/Out

For the safety of each child, parents/guardians must check in with a staff person and sign child(ren) in/out at both drop-off and pick-up times. Kids' Campus staff cannot assume responsibility for children until they are signed in by a parent/guardian. Children are not allowed to sign themselves in or out. When children arrive after school, staff check them in.

Release of Children

At registration, parents/guardians will be asked to list all the people who are authorized to pick up their children from Kids' Campus. Children will only be released to these people. Authorized people must be 16 years of age or older and may be asked to show a driver's license or legal identification. If Kids' Campus has not received notification, children will remain at Kids' Campus until a parent/guardian can be reached to verify the child may be released.

If a person other than a parent/guardian or authorized person is picking up the child, Kids' Campus staff must be notified before pick up.

Children may be released to either legal parent/guardian unless the Program Coordinator or Site Lead has been given a copy of a court order prohibiting one parent/guardian from having custody of the child. If a parent/guardian comes to pick up the child and it is contrary to the wishes of the other parent, staff will call the other parent to inform him or her of the situation.

Absences

It is the responsibility of the parents/guardians to notify Kids' Campus (*in addition to notifying the school, school staff does not let us know*) site staff in advance when their child will be absent. If Kids' Campus staff have to locate your child, a \$10 Finders Fee will be assessed. Repeated non-notification may result in termination of contract.

Late Pick Ups

Kids' Campus closes at 6:00 pm. If parents/guardians regularly pick up their child late, their contract may be terminated. A late pick-up fee of \$25/child will be charged for every additional 30 minutes or portion thereof after 6:00 pm, beginning at 6:01 pm on the iPad clock.

If a child is not picked up by a parent/guardian or authorized person by 6:30 pm and no such person can be reached, the School Resource Officer will be notified. If you anticipate you'll be late, please let us know.

School Closings

In the case of schools being closed due to inclement weather or other unplanned events, announcements will be posted on the Hastings Public Schools website in addition to notification from the District Office via phone call or text.

If an announcement is given prior to the beginning of the school day that all Hastings Public Schools are closed due to weather, then Kids' Campus is closed that day. Regular fees apply.

If school is delayed two hours in opening, Kids' Campus will be open at the regular time (6:30am). If school closes two hours early, then the Kids' Campus sites will close two hours early (4:00 pm). Parents will be called and notified by Kids' Campus staff to pick up their child. Please pick up your child by 4:00 pm or authorize someone else to pick up your child by that time.

Field Trips

Some field trips may involve swimming, being around water or other physical activities. Please alert site staff to any concerns you may have. On field trip days, all students participate; please do not bring your child if he or she cannot go on the planned field trip. Money will not be allowed on field trips.

Snacks

Kids' Campus will provide afternoon snacks. Please notify staff if your child has a food allergy.

Outdoor Play

Children attending Kids' Campus are expected to participate in outdoor play. Unless temperatures are below zero, it is raining or in cases of extreme heat or poor air quality, children are offered time outside every day. Children need appropriate clothing for active outdoor play and for the weather (i.e., hat, mittens, boots and a warm coat when it is cold; snow pants for snowy weather).

When necessary, sunscreen will be applied in the morning and re-applied in the afternoon. Families are asked to provide sunscreen for their child(ren). If parents/guardians do not want sunscreen applied to their child, they must notify the Site Lead in writing.

Homework Time

Kids' Campus will provide time for students to do homework. Staff do not provide remedial tutoring services during homework time; children are expected to work independently. Staff will provide assistance to problem solve homework roadblocks (for example, help a child read the directions to clarify the task or review a word problem with the child to determine a strategy, etc.). It is the family's responsibility to check for completion and accuracy of their child's homework.

Movies

In Kids' Campus children may occasionally watch "PG" rated movies under staff supervision.

Personal Belongings

Kids' Campus staff cannot assume responsibility for items brought from home. All items and belongings should be labeled with your child's name. Please do not bring toys, games, trading cards, technology devices to Kids' Campus unless requested by a Site Lead for a special activity. Unlabeled items will be turned in to the school's lost and found.

Cell Phone Policy: Please ask for permission from your Site Lead to use. Cell phones should be kept in a backpack. We are not responsible for the loss or damaged cell phones.

HEALTH AND SAFETY- Emergency Contact Information

It is important that all contact information be kept current. It is the responsibility of parents/guardians to inform Kids' Campus of changes, including:

- Home address, phone number (including cell phone numbers) and e-mail addresses.
- Workplace and daytime phone number (If you are away from work, please leave a phone number where you may be reached in case of emergency)
 - List of person(s) authorized to pick child up from Kids' Campus
- Three (3) people to contact in an emergency if a parent/guardian cannot be reached. If no one can be reached, the police and the School Resource Officer will be contacted.

You may change your contact and emergency information at **hastingscommunityed.com**

Illness or Medical Emergency

Please notify staff of any health concerns or chronic conditions your child may have as well as any special care required.

A child will not be admitted to Kids' Campus with contagious diseases or any of the following symptoms: diarrhea, vomiting, fever (100 degrees or more). Children should be free of these symptoms for 24 hours before returning to Kids' Campus. Charges still apply.

Parents/guardians must notify the Site Lead of any contagious diseases (e.g., strep throat, influenza, chicken pox, ringworm). When a contagious disease has been reported at Kids' Campus, all parents/ guardians will be notified.

A certified center must post or give notice to the parent or legal guardian of an exposed child the same day the program is notified of a child's contagious reportable disease specified in Minnesota Rules, part 4605.7040, or scabies, impetigo, ringworm, or chicken pox.

If a child becomes ill at Kids' Campus, the child will be isolated from the other children. Parents/guardians will be notified and asked to pick up the child as soon as possible; children should not return until the following program day. In the event of a medical emergency or accident, Kids' Campus staff will first attend to the child with first aid. Unless it is a life-threatening emergency, staff will first attempt to contact parents/guardians or emergency contact.

If the parent/guardian cannot be reached, staff will take whatever medical measures are necessary for the care and protection of the child. The school nurse will be consulted, if he/she is on duty. When necessary, 911 will be called and the child may be taken by ambulance to the nearest hospital.

All children enrolled in Hastings Public Schools are required to have on file a copy of their record of immunization compliance or their medical exemption; Kids' Campus staff may obtain a copy of these health records from the school nurse. Students who do not have immunizations on file with Hastings Public School will be asked to supply these records before the child can attend Kids' Campus. Failure to supply these records will result in termination of their childcare contract.

Dispensing of Medication

Kids' Campus staff follow the school district's policy regarding administration of medication. For medication prescribed for two weeks or longer, a written order signed by the prescribing health professional and the parent/guardian is required (forms are available from the Site Lead). Medications may be given to the Site Lead and will be dispensed at the appropriate time. Only medications stored in a pharmacy-labeled container and accompanied by the completed permission form will be administered. The same procedure is followed for over-the-counter medications.

Child Abuse & Neglect

State law requires Kids' Campus staff to report any suspected cases of child abuse or neglect to the proper authorities.
