Sign In/Out Procedures:

For the safety of each child, parents/guardians must check in with a staff person and sign child(ren) in/out at both drop-off and pick-up times. Our staff cannot assume responsibility for children until they are signed in by a parent/guardian.

Personal Belongings:

Children should be dressed adequately for inside and outside activities. Outdoor clothing must be labeled (each child is asked to bring a labeled backpack each day to store their items). The children will have a place in which to keep limited belongings. The program is NOT responsible for lost or damaged items. A lost and found will be available.

What to Bring:

Each individual child (siblings CANNOT share) needs the following items clearly labeled in permanent marker: Backpack, Beach towel, Sunscreen, Bug spray, and Water bottle. Please consider appropriate clothing and footwear as we will be spending a lot of time outside and in active play.

Cell Phone Policy:

Students are STRONGLY discouraged from bringing cellphones to programming. Those who bring cell phones will be asked to keep them out of sight and silent. Staff will NOT be responsible for any loss or damage of cellphones. If, for any reason, staff decides cell phones should not be brought to Camp Horizons/Big Shots, the parents will be notified and cell phones will need to be left at home.

Activity Calendar:

Activity calendars will be available at the Community Education website (subject to change). Emails reminders will be sent home if special supplies are needed for the following days.

Summer School:

If your student is registered for 2024 Summer School, please notify Sam Robertson at srobertson@isd200.org. Transportation will be provided to and from Camp Horizons and Summer School.

Field Trips:

Parents will be notified ahead of time for any travel or additional costs/supplies needed.

The program MUST be notified when your child is absent or late for any reason. Please call the Community Education office at 651-480-7670 or email Ichandler@isd200.org. In the case of illness, parents will be asked to leave a detailed message.

Illness Policies Concerning Sick Children:

Emergency files will be kept for each child. Parents will be notified by phone from the Camp Horizons staff of any symptoms of impending illness (headaches, fever, vomiting, cramps). Parents will be expected to pick up their child within twenty minutes of the call. While this may be a challenge, families who fail to make this pick up practice will be subject to dismissal. Until the parent arrives, the child will be excluded from activities with other children. The child will rest in a quiet area secluded from others. Children with communicable disease will be excluded from programming until the threat of contagion has passed.

Parents will be called in the event of a child requiring emergency care. If parents are unavailable, the person indicated on the emergency card will be notified. In the event none of the above can be reached and it is an emergency situation, the child will be taken to Regina Memorial Hospital. Please keep emergency information up to date.
